Who What

Grinz: "Fine! Fine! You got me!"
 clears throat....
 "Well it's a long story but let me start by saying..."

Dr. James Finx Sr.: "OOPS. So sorry to interrupt, but we are out of the time
 for today."

Narrator: And with that, Grinz discharges his plasma weapon. He feels
 really bad about the mess, but there is only 1 hour left
 before 'Twenty Taco Tuesday' deal expires down at his
 regular food truck.

 With that realization, he suddenly doesn't feel so bad and
 is also somewhat surprised to find that the carnage did not
 put a dent in his appetite at all. Mr. Blue Sky! Going for
 40 today with a song on his lips.

 And thus brings an end to our story. Goodnight, and have a
 pleasant tomorrow.

Freddie: "WE ARE THE CHAMPIONS MY FRIEND"...

Narrator: "Wrong Roll Play Freddie."

Freddie: "So sorry. My sincerest apologies..."

Narrator: "No problem, but next time bring it with 'One Mission'. I
 love that tune!! Here's the link if you forgot the words'
