

## Just checking on PJ

*PJ, sure he's pretty smart, but maybe he knows that. In fact, maybe, just maybe he knows WAY too much, and that makes him a target.*

## Cast of Characters

### Character Description

**Nivek** Nivek knows not from whence he came and knows not where he shall eventually be. All he knows now is that he is still searching for something that is missing.

**Sherone** Sherone's past is unknown. Even he does not know. What he does know is this... there are long stretches of time where he can remember nothing. He does not know if it is due to illness or curse. He also has no idea what he does during these lost times. Does he lay still with sweat and trembling or does he roam listlessly performing unspeakable acts? Maybe one day he will know.

**Bowesette** "The power of the stars is already MINE!" Large and in charge! Bowesette demands attention in all forms, except from opinionated pink princesses
